

LEA Shaving Foam

Description:

The LEA Shaving foam is a creamy foam that moisturizes and softens the surface layers of the skin and allows a quick and comfortable shave. Its high content of glycerin enhances razor glide and enables a smooth and efficient shave without irritating the face. In addition, its content in Menthol provides a freshness that remains beyond shaving. Dermatologically Tested

Characteristics:

- ✓ High content in Glycerin for extra moisturizing.
- ✓ Long-lasting freshness after shaving
- ✓ Prevents cuts, scrapes and irritations

Format: 35 ml./ 100 ml. / 250 ml.
