

LEA BODY & SHAVE System

Description:

6 Blades (Double 3+3) system designed for male body shave. The pivoting and rounded head adapts to the hardest to reach areas of the body, and the protective bar and the 2 lubricating strips provides extra gliding and skin protection. The non-slip ergonomic handle provides a comfortable and safe shaving even with wet hands. The open architecture on the back of the blades makes it easy to rinse them.

Characteristics:

- ✓ Designed for male body shaving
- ✓ 6 Blades (Double 3+3) and Open architecture head for an optimal glide, close shave and easy to rinse
- ✓ Pivoting and Rounded Head with 1 protective bar and 2 Lubricating strips

Format: 1 unit blister.
