

LEA PERFECT 6 EVOLUTION System

Description:

Six thin and diamond coated blades razor system with a precision trimmer perfectly spaced providing an exceptional performance and the closest shave. The pivoting head with lubricating strip guides the razor along the contour of the face and the non-slip ergonomic handle provides a comfortable and safe shaving. The open architecture on the back of the blades makes it easy to rinse them.

Characteristics:

- ✓ 6 blades+1 precision trimmer
- ✓ Diamond Coated Blades and open architecture of the blades makes it easy to rinse them
- ✓ Lubricating strip, pivoting head and ergonomic handle.
- ✓ LEA PERFECT 3 and PERFECT 6 EVOLUTION are compatible
